Generally Accepted Privacy Principles (GAPP)

1. Management
2. Notice
3. Choice and Consent
4. Collection
5. Use, Retention and Disposal
6. Access
7. Disclosure to Third Parties
8. Security for Privacy
9. Quality
10. Monitoring and Enforcement

Developed by the Canadian Institute of Chartered Accountants (CICA) and the American Institute of Certified Public Accountants, GAPP is a recognized, comprehensive framework based on internationally known fair information practices that will assist organizations in managing their privacy risk.

Comprised of over 70 objective and measurable criteria, GAPP can be used by organizations for:

- Privacy policy design and implementation
- Performance measurement
- Benchmarking
- Monitoring and auditing privacy programs
- Assessing privacy practices of third-party vendors

For additional information on GAPP or privacy services that are provided by Chartered Accountants, visit www.cica.ca/privacy or send an e-mail to privacy@cica.ca.
