

Plan to Protect®

The STANDARD of protection and abuse prevention to organizations serving the vulnerable sector globally.

Memberships and Programs

Join our growing network of members!

Two easy steps to follow to become a member:

Step One, pick your membership package!

Step Two, fill out your membership application!

Community organizations (schools, clubs, camps, etc.) and faith based organizations (churches, parishes, synagogues, mosques, etc.) are invited to apply to become a Plan to Protect® Member and join others with a like-minded commitment to abuse prevention and child, youth and vulnerable adult protection.

Plan to Protect® members:

- Demonstrate a commitment to abuse prevention (recognizing that Plan to Protect® members are at different places in implementing the plan);
- Recognize that a plan to protect children, youth and vulnerable adults includes awareness of the issue of abuse, written policies and plan, initial and annual training of staff and volunteers, proactive screening, documented and tested procedures and annual assessment;
- Strive to be accountable to the leadership of their organizations, parents and caregivers, and their communities; and
- Receive access to valuable tools, training and support to assist them in their efforts to protect children, youth and vulnerable adults by the authors and team at Plan to Protect®.

What members are saying:

"Thank you for your endless support of help and guidance"

"Wow, we are so grateful to be supported and encouraged by Plan to Protect® staff every step of the way"

"Every organization should be a member of Plan to Protect® to access your expertise and training"

"Plan to Protect® has helped us stay on top of insurance requirements!"

"What better investment can we make for our children, youth and vulnerable adults!"
