

5 Step Safety Plan for Abuse Prevention and Protection

Join thousands of organizations that have successfully achieved a high standard of protection by implementing the Plan to Protect® proven strategy of safeguarding. Taking these five steps will demonstrate you care for your people and will help you qualify for abuse coverage with your insurance company. The strategy works, and we are offering step one of our five steps of Plan to Protect® FREE with the purchase of step two (our two essential professional development courses).

1. Assessment	2. Professional Development	3. Implement Your Plan	4. Maintain Your Plan	5. Leverage Expertise
