Implementation Membership is our one year membership ideal for organizations just starting with Plan to Protect®, wishing to put policies in place, have a trainer and administrator certified and equipped, and receive access to the benefits of a Basic Membership.

Going the Distance Membership is our three-year, premiere package, that demonstrates your commitment to running the race against abuse. This package is designed for organizations looking to fully adhere to legislation and insurance requirements through certification and policy development, and is ideal for organizations that wish to do their training primarily on-line and have additional consulting and coaching services. A one-year option is also available.

Basic Membership is our one year membership designed to help organizations maintain their protection policies and procedures, and stay on top of recommended changes through access to on-going support. There are four tiers within the Basic Membership, based on the annual revenue of the organization.

Annual Revenue	Basic Membership Fee	# of On-line trainings OR PlanToProtect Apps Available*
